Douglas Miller, Mortgage Officer

Hello, I am Douglas Miller, and I am very excited to be joining Sunrise Family Credit Union as the Mortgage Loan Officer. I relocated to Michigan in 2015 from Pennsylvania where I was born and raised. I enjoy spending time at the beach/ lakes during the summer. I started my banking career at a community bank in Pennsylvania. I have been in the banking / credit union industry for 12 years holding various positions.

During my career I discovered I have a passion for real estate lending where I enjoy helping people in the community; whether you are a first-time homebuyer or looking to purchase your next home I want to be your "Mortgage Guy!". I believe in the credit union motto "People helping People", I am looking forward to being part of the community and helping our members.

Whitney Sode, VP of Accounting

Hi! My name is Whitney Sode, and I am thrilled to be a part of Sunrise Family Credit Union! I recently took the leap back into the credit union world because I believe in the mission of helping our members, providing exceptional service, and making a positive impact in the local community. Before Sunrise, I previously worked at two banks and another local credit union where I held various positions and I was an accountant at a public accounting firm. I attended Davenport University where I obtained my Bachelor's in Business

Administration majoring in finance and minoring in financial planning and accounting and obtained my Master of Business Administration degree. Between my work and education, I have 10 + years in the financial and accounting industry. Once again, I am excited to be a part of the Sunrise Family and to assist in serving our members.
